#### **IIRSA Leadership Forum**

Diciembre 2 y 3, 2008 | Cartagena, Colombia

www.cg-la.com

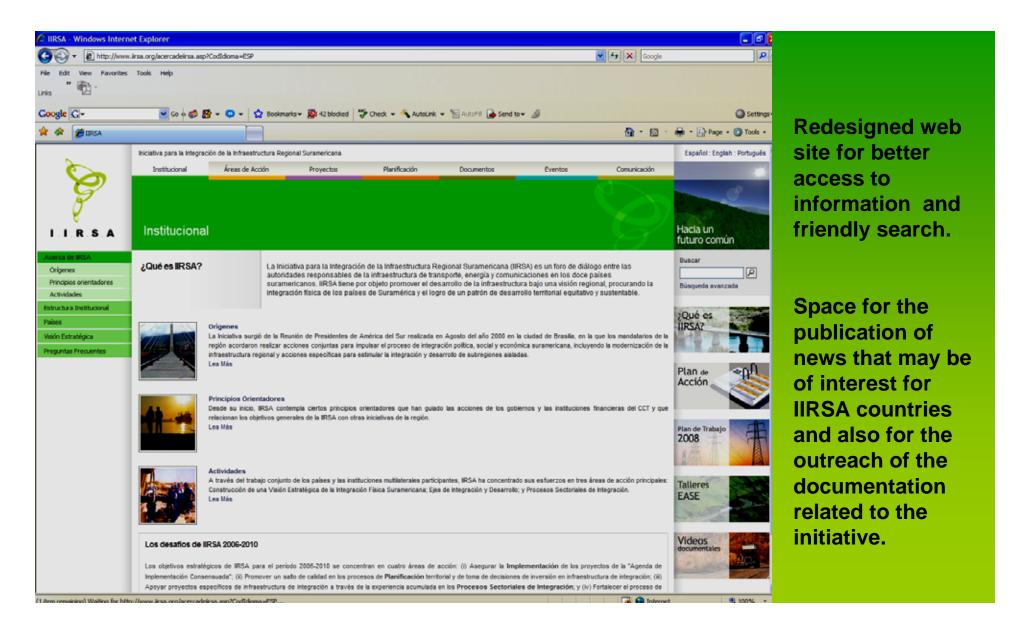

Within the framework of the IIRSA Annual Meeting, Colombia proposed this important Forum in order for the South American countries to have the opportunity of promoting projects of the IIRSA Portfolio so that South American and international investors, as well as engineering companies can get to know these projects.

30 projects were presented in the Forum (roads, ports, airports and logistic services. electricity, oil and gas).
